COLLECTION 380 - Cara

Bring Halfmoon accents to your space with the Cara collection. Overscale proportions, soft and subtle semi-circle shaping and a fresh light Oak finish will add charm to any room.

The collection has 2 media units, 2 sideboards, and 2 dining tables giving the range flexibility for the customer.

Cara is a simple trend led design, there is something about Art Deco that imbibes elegance and with the Arc handle you get just that.

Whilst being a contemporary piece it pays homage to a bygone era and adds a touch of sophistication to your space. It's also reassuringly heavy with soft-closing doors.

COLLECTION 384 - California

A contemporary interpretation of 1940s French Streamline Moderne, or Style paquebot, our California collection celebrates bold geometric forms and luxe materials.

Signature radius curves interplay with straight lines, all highlighted by the warmth of richly grained Oak.

The Oak has been sandblasted to give the finish a rich texturised depth and while the subtle handleless brass plates add contrast and elegance.

COLLECTION 415 - Phoenix

The Phoenix Collection is a state-of-the-art furniture line that seamlessly combines modern luxury with timeless craftsmanship. At its core are elegant design elements, such as bullnose edges on the real marble tops. These rounded contours soften the overall look, creating a refined finish while enhancing safety and usability by reducing sharp edges. This thoughtful detail elevates the countertop's luxurious appeal. The light oak finish enhances the natural beauty of the wood grain, maintaining a fresh and versatile aesthetic that suits a wide range of interiors. The Phoenix Collection blends modern innovation with timeless beauty, making it an exquisite addition to any living space.
