ABOUT

Furniture News is the only media brand focused on the UK domestic furniture market.

Delivering insightful editorial and product promotion since 1986, we work closely with the sector's key associations and events to inform and inspire our professional audience – while driving advertiser response through unrivalled print and online channels.

From staffing to sustainability, we tackle the key issues affecting the trade, drawing on insights from a rich variety of industry voices.

As the trade's longest-running title (and team), Furniture News is the advertising partner of choice for suppliers wishing to drive awareness and sales – we are entrusted to deliver trade marketing campaigns by an unrivalled number of furniture businesses.

KEY INITIATIVES

Furniture News is recognised by the International Alliance of Furnishing Publications (IAFP) as the UK's leading B2B title in the sector.

Furniture News continues to work in partnership with the January Furniture Show to deliver The Furniture Awards programme at the industry's key event.

Our popular Readers' Choice Awards give the trade the opportunity to nominate their top suppliers.
